

Hyde Park Veterinary Clinic is a busy 4 doctor clinic located in the beautiful Hyde Park Village area of South Tampa. We are currently seeking a full time experienced veterinary technician to join our team. Our clinic is fully upgraded with the most modern in-house laboratory equipment, digital x-ray system, digital dental radiography, and K-Laser therapy. We are proud to be a Low Stress Handling Certified clinic and a Certified Cat Friendly Practice. We offer a healthy combination of modern and holistic treatments that help keep our patients happy and healthy. We have wonderful clients with an excellent compliance rate and have been a staple in the Hyde Park community since 2002. For more information about our clinic, please visit our website at www.hydeparkvet.com.

Requirements:

Our ideal candidate will have at least 1 year of experience working in a small animal practice as a veterinary technician. They should also be friendly, detail-oriented, adaptable, possess amazing technician skills, be compassionate, have a strong work ethic, a team player, and have effective written and verbal communication skills.

Work Schedule:

Candidate expected to be available 4 full days a week and alternating Saturdays

Responsibilities:

Responsibilities will include, but are not limited to, animal restraint, obtaining medical history, preparing sick pets for hospitalizations, emergency care, client education, obtaining lab samples, running diagnostic tests, assisting with doctors' orders, administering and dispensing medications, surgery preparation and monitoring, and taking x-rays.

Benefits:

We offer a comprehensive benefits package for employees including:

- Paid Time Off for vacation, sick/personal days, and holidays
- Health and dental insurance
- 401(k) benefits
- Pet discounts
- Uniform allowance
- Continuing Education support
- A work environment that strongly supports a work-life balance

Compensation:

Based on experience with opportunities for advancement after 90 days.

If you are interested in the position and would like to further pursue the application process, we ask that you e-mail your cover letter and resume to us, or stop by the clinic to drop off your resume and fill out an employment application in person.
